[View Entire Chapter](#)**403.9338 Training.—**

- (1) The department, in cooperation with the Institute of Food and Agricultural Sciences, shall:
- (a) Provide training and testing programs in urban landscape best management practices and may issue certificates demonstrating satisfactory completion of the training.
- (b) Approve training and testing programs that are equivalent to or more comprehensive than the training provided by the department under paragraph (a). Such programs must be reviewed and reapproved by the department if significant changes are made. Currently approved programs must be reapproved by July 1, 2010.
- (2) After receiving a certificate demonstrating successful completion of a department or department-approved training program under this section, a person may apply to the Department of Agriculture and Consumer Services to receive a limited certification for urban landscape commercial fertilizer application under s. [482.1562](#). A person possessing such certification is not subject to additional local testing.
